**RE: Letter of Recommendation for John C. Deinhardt**

To Whom It May Concern:

We hired John C. Deinhardt in 2002, when I was President of Colonial Development Group, LLC and worked with him up until I left the company in May of 2005.

I can say that I have been impressed with John's ability to get the job done whatever the task may be. He is a motivator and is very tenacious, and his long hours and hard work has proven to show excellent work ethics.

John is as strong in pre-construction (pre-development) as he is in construction. He has managed consultants, the design process, permitting, contracts and budget control very well, while also being proficient in the construction management side from contractor selection, negotiation, to quality control and scheduling.

I would highly recommend John C. Deinhardt as quality project manager/owner's representative. He would be an asset to any real estate development company.

Sincerely Yours,

A handwritten signature in dark ink, appearing to read "Daniel E. Adache". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
