TO WHOM IT MAY CONCERN:

RE: John Deinhardt

It is my distinct pleasure to write this letter of recommendation for Mr. John Deinhardt. It was my good fortune as counsel to several real estate development companies to work with Mr. Deinhardt while he was employed by these companies. While in charge of construction for these companies, Mr. Deinhardt's duties and responsibilities included working with counsel in connection with the preparation of various construction contracts and working with counsel during the construction process.

Although not an attorney himself, Mr. Deinhardt exhibited to me a comprehensive knowledge of construction law as well as an extremely experienced knowledge of all practical aspects of construction. Mr. Deinhardt is a self-motivated, conscientious and ethical individual who takes great pride in the work for which he is responsible. He has demonstrated to me a very high level of intelligence when dealing with various problems and often found creative solutions to these problems. Mr. Deinhardt is also extremely well organized in his work.

Although Mr. Deinhardt is a very demanding client, he has always been a pleasure to work with. I am confident he will be an asset to any organization.

It is for these reasons that I highly recommend Mr. Deinhardt for a position of responsibility. I am confident that his hard work and keen intellect will serve him and his employer very well.

Sincerely,

RUDEN, McCLOSKEY, SMITH,
